

The Chicago-based [Black Moon Trio](#) was founded in 2022 by Parker Nelson, Jeremy Vigil, and Khelsey Zarraga. Harnessing the experience from years of professional chamber music performance, music-making in social service settings, facilitating workshops at universities, developing curriculum for youth in schools, and leading community development through music, Black Moon Trio is excited to provide a classical music experience that resonates far beyond the vibrations of a final chord. By engaging with diverse audiences, youth, and artists of every type, Black Moon Trio works to prove that classical music is for everyone.
